

## **OB or Pelvic Ultrasound Preparation Instructions**

**PATIENT'S NAME:** \_\_\_\_\_

**APPOINTMENT DATE / TIME:** \_\_\_\_\_

Your doctor has requested an **Ultrasound** examination of your **Pelvic** area. For a more detailed explanation of this procedure, please refer to the accompanying brochure.

This procedure usually takes 15 – 20 minutes to complete, so be prepared to be in Radiology for at least that amount of time.

Please check in at the Radiology Reception Desk 15-minutes before your scheduled appointment to allow for registration and dressing. As parking is often a problem, coming even earlier may ensure you arrive on time at the desk. Patients more than 20-minutes late will likely be rescheduled so we can stay on track for other scheduled patients.
